# Patron Donation Form

Information regarding our Patron Program:

Attach please find our Patron Donation Form. With your Patronage we can continue bringing a local horse show to the City of Norco, as well as the surrounding areas. Your efforts will ensure that this show can continue.

This show serves the community as well as bringing an opportunity for competitors at any level to show their horse, in a safe and family orientated setting.

We struggle with the increase in costs to put on a show (Rent fees and Insurance especially) and try to keep the entry fees affordable. Without your patronage and the selfless work from our Volunteers, this show would not continue.

In providing a safe venue for beginners to test their abilities and learn new ones, our show provides a foundation for future competitors. A place for camaraderie, support and an opportunity to meet others in their sport.

As a Patron you will receive Patron Gifts for your donation. Each Patronage Donation is appreciated by not only Saddle and Harness Association, but the people who get to compete at the shows as a result of your support.

If you have any questions regarding our Patronage Program please contact us at:
